

Harry Golding Has Hupmobile District Agency

Lomita Man Secures Franchise for Well Known Make of Car

Congratulations by the score have poured in on Harry Golding for the past week on his securing the Hupmobile Agency for the San Pedro district. Coming at almost the same time as the announcement of the Hupmobile Six was the announcement by the Hup factory of their new dealer.

Mr. Golding, who has been a resident of Lomita for the past two years, and who has been connected with the automobile business in San Pedro for the past seven years, is all smiles as his friends drop in to see the new cars and congratulate him.

The temporary location that is being used to exhibit the Hup is at Golding's lot at 459 West Sixth street, but a new location in one of the finest showrooms in the city is being remodeled for the new dealer.

Golding has just signed a long lease on the building at the corner of Pacific and Sixteenth streets, and the remodeling is now under way. When this is completed, which will not be later than the 10th of December, Hupmobiles will be housed in one of the finest automobile showrooms to be found on Pacific avenue.

In speaking of Hupmobile's new car, the Hupmobile Six, which Golding and his sales manager, Bob Pruitt, have been so proudly exhibiting during the last few days, Golding said: "This new Hupmobile seems to have taken San Pedro by storm. Numerous orders have been taken and we are rushing the factory so that we can get cars to make delivery. While the factory is way behind on filling its orders, this situation will soon straighten itself out, as the factory is getting into full production very rapidly."

"This means about 300 sixes and 100 eights per day," concluded Golding.
